## 2020 Cultural Grants results

### 2020 applicants statistics:

- 25 applications
- 17 were recommended for funding in this round (1 western Sydney, 4 metro and 12 regional)
- \$55,000 of funding to allocate
- \$91,137.56 of funding requested in total from applicants
- Highest amount awarded \$5,000
- 11 projects were fully funded and 6 were partially funded

### Successful applicants:

- Submitted current and relevant quotes for their project
- Had a project plan
- Described exactly what funding would be used for and the figure was the same amount as the quote they provided
- Successfully articulated benefits to the community, use of volunteers and significance of the project
- Had relevant supporting attachments, in particular quotations

### Unsuccessful applicants may have:

- Submitted insufficient or no quotes, costings for work and had a poor budget
- Were very vague on project details and plan
- Submitted old, irrelevant or no supporting documentation
- Demonstrated little effort in answering questions
- Requested funding to cover capital expenses, marketing, promotional activities, which is not eligible for funding
- Submitted application for work already completed
